

Management's Pen

- We would like to mention that we are proud how the “Grow with Saturday” activities are setting higher benchmarks each time. We appreciate the efforts being put by all the four houses coming up with the creative and innovative ideas. Now each Saturday we observe ADIANS growing intellectually and at the personal level through the trainings and Grow with Saturday sessions being held.
- Also, the Yoga Day celebration held at the office by HR Team was remarkable. The activities designed led the ADIANS understand importance of health as well as how such activities can be made more interesting.
- We look forward for more such knowledge driven + entertaining sessions by the ADIANS for the ADIANS!!!!
- With the beginning of the Monsoon, we wish ADIANS witness more growth and happiness.

Happy Monsoon!!!
