## Management's Pen

It has been our constant efforts to set the systems which warrants enhancing knowledge and developing the core competencies of the AD Family. And with the same view, last month we had two major system introductions. Firstly, the concept of AD - Core Competency Building Program (AD-CCBP) has been introduced to provide the professional trainings for Technical, Soft and Professional Development of ADIANS. Secondly, Knowledge Cell has been introduced with the view to share knowledge on any complexities that ADIANS may face in interpretation of laws / scope thereby facilitating decision making capabilities.

“All work and No Play makes Jack a dull boy” is what we truly believe!! And thus, for ADIANS we have also developed concept of AD Entertainment Perks wherein employee fun & entertainment schemes will be timely introduced. Presently, we hope all the married employees are making most of the Movie Perk introduced. Work hard, play harder!!!

We can say that the last month has been optimally spent by ensuring balance between work and play. Management believes these systems will definitely enable overall development of ADIANS.

## **Love for Parents!!!**

**"I love you mom and daddy  
You taught me oh so much  
I can't begin to describe all the ways  
That my life you profoundly touched  
You taught me morals and values  
You helped me reach my goals  
And all the things I learned from you  
Will stay till I am old.  
I want to thank you deeply  
For being there for me  
And for being absolutely, without a doubt  
The best parents, one could be ".**
